

# NO!

I would not like to miss this opportunity to help.  
It is particularly irresistible since I am here presented with  
no less than three different ways to do it!  
Please let me see the alternatives.

Here they are!

1. Fill in the reverse side of this form with your ideas and comments and send it to us. (we would really like to hear)
2. Send us a generous donation. (Check, cash or credit card).
3. Do both of the above.

The best alternative for all involved is, as we are sure you already guessed, alternative number three. However, we would much appreciate whatever you can do.

Please update us with the following:

Name.....

Address.....

.....

Phone/Fax.....

E-mail:.....

Visa/MC #.....

.....

Exp. date:.....

Donation amount:

Why then do we not give ourselves — recklessly, abundantly, completely? If we realized we were part of an endless process, that we had neither to lose nor to gain but only to live it out, would we behave as we do?
